REC\_DS using C\_Week 2\_COD\_Question 4

Attempt : 1 Total Mark : 10 Marks Obtained : 10

Section 1: Coding

#### 1. Problem Statement

Ravi is developing a student registration system for a college. To efficiently store and manage the student IDs, he decides to implement a doubly linked list where each node represents a student's ID.

In this system, each student's ID is stored sequentially, and the system needs to display all registered student IDs in the order they were entered.

Implement a program that creates a doubly linked list, inserts student IDs, and displays them in the same order.

### **Input Format**

The first line contains an integer N the number of student IDs.

The second line contains N space-separated integers representing the student IDs.

## **Output Format**

The output should display the single line containing N space-separated integers representing the student IDs stored in the doubly linked list.

Refer to the sample output for formatting specifications.

```
Sample Test Case
```

```
Input: 5
   10 20 30 40 50
Output: 10 20 30 40 50
   Answer
   // You are using GCC
   #include<stdio.h>
   #include<stdlib.h>
   struct node
     int data;
     struct node *next,*pre;
   }*head=NULL;
   typedef struct node NODE;
void insert(int x)
     NODE *nn=(NODE*)malloc(sizeof(NODE));
     nn->data=x;
     nn->next=NULL:
     nn->pre=NULL;
     if(head==NULL)
     {
       head=nn;
     else
       NODE *temp=head;
        while(temp->next!=NULL)
```

```
240101001
                                                                             240707007
          temp=temp->next;
mp->next=nn;
        temp->next=nn;
        nn->pre=temp;
      }
    void dis()
      NODE *temp=head;
      while(temp!=NULL)
        printf("%d ",temp->data);
                         240707007
        temp=temp->next;
    int main()
      int n,ele;
      scanf("%d",&n);
      for(int i=0;i<n;i++)
        scanf("%d",&ele);
        insert(ele);
      }dis();
Status : Correct
                                                                     Marks : 10/10
